“We have been using Hallidays Payroll since 2001. I can honestly say that in those 10 years plus of working together we have enjoyed a first class service from Nicola and her team who are never anything other than highly professional and extremely prompt in dealing with both routine processing and ad-hoc queries. The comfort of knowing that all the latest HMRC rates and rules are being adhered to and that our payroll is accurate and up to date removes a big burden from a small business such as ours and allows us to focus on doing things we are good at! The introduction of the docuSAFE on-line facility for securely accessing and downloading payroll reports removes any delays in getting information and ensures everyone is paid on time. Undoubtedly one of the best value for money outside services we use - I would have no hesitation in recommending them to any prospective users.”

“The Payroll Team at Hallidays are always ready, willing and able to deal with any question promptly and cheerily. The service is ideal and particularly for smaller companies not worth the stress and aggravation of purchasing, maintaining your own software and doing all the work. Excellent value for money.”
