ANGELS**

Next Event  
**4th December 2019**

# You're invited to our annual **Stockport Business Angels**

Our Stockport Business Angels event is back!

Our previous events were a massive success with 35 - 60% of pitching companies receiving offers and investment. So get ready to spread those wings again as we have another great line up of companies seeking investment.

“Stockport Business Angels, Access to Finance and The Business Growth Hub were extremely supportive in helping secure our first round of investment. We were impressed with Hallidays who helped scale our business and pursue a second round of investment to fund our global expansion”.
